Re: Updated Uniform for September 2024

Dear Parent/Carers

I am writing to inform you of our updated Uniform Policy, effective from September 2024. As you will be aware, last Autumn a consultation was held with students, parents and other stakeholders regarding the uniform that all secondary students across Wickersley Partnership Trust (WPT) wear.

The results of this consultation were announced in November, and, working alongside WPT, we have been busy working with our suppliers to finalise and formalise our new uniform. For our school, the only logo'd item changing is the PE t-shirt.

We firmly believe that school uniform allows equality and fairness for all, and that it prepares young people for the world of work, having a positive influence on student behaviour and fostering a sense of belonging and community, whilst eliminating social class stigma.

From September 2024, our uniform policy is as follows:

School Uniform

- Black 'v neck' jumper with lilac piping to neck line and TA/WPT logos, or
- Black cardigan with lilac piping and TA/WPT logos
- TA clip-on tie
- White button-up shirt
- Plain black tailored trousers, or
- Plain black skirt*, or
- Plain black tailored shorts*
- Plain black leather shoes or plain black leather trainers#

*Skirts and shorts can be worn throughout the year, but must be knee-length. Skirts must not be the lycra 'tube' type and must be worn with black socks or tights. Shorts must be worn with black socks.

#Footwear must be suitable, plain black and show no other colours or embellishments / logos. During the winter months, flat-heeled ankle boots or winter boots are allowed, but these must also be plain black.

PE Uniform

- **NEW** black and purple PE t-shirt with TA logo
- Plain black hoodie or sweatshirt
- Plain black PE style shorts, or
- Plain black sports bottoms / leggings
- (Optional) plain black base layer
- Trainers*

*No pumps, slip-ons, sliders or flip-flops etc

We have taken the decision to no longer allow the printing of student names or initials on PE t-shirts. This is due to safeguarding concerns, and to increase the ability for school to recycle school uniform through our Uniform Bank.

Use of Existing Uniform

We recognise that updating the school uniform may incur an initial extra cost for families. For this reason, students in Year 8-11 are able to keep using existing uniform items purchased prior to September 2024 for the 2024-25 academic year only. This

includes logo'd school trousers, PE quarter-zips, PE hoodies, and PE shorts. All students must be in the fully updated uniform by September 2025.

As a reminder, extreme hair styles and colours are not allowed. Make-up should be discreet and kept at a minimum. False eyelashes and fingernails are not allowed, and nails should be kept at a neutral colour. Jewellery should be kept to a minimum, with no more than one small earring, sleeper or stud per ear, with other facial or body piercings not allowed on school grounds.

Uniform Bank

May I take this opportunity to remind you that we operate a Uniform Bank. The scheme gives families suffering financial hardships the opportunity to receive pre-loved uniform for free. If you have uniform that you are able to donate, please drop it off at reception. We are always on the lookout for school jumpers and cardigans, button-up shirts, trousers, skirts and shorts, ties, PE kit including t-shirt and shorts, coats, and bags.

Families in need can request the use of our Uniform Bank via the WPT website: <https://wickersleypt.org/about-us/uniform>
