**HEADTEACHER:** Mr D Burnham

## **Y9 Parental Consultation Evening – Thursday 20 March**

We are delighted to invite you to the Year Y9 Parental Consultation Evening on Thursday 20 March.

Your subject teachers will be running 5-minute appointments between **3:30pm and 6:20pm**. These will be face-to-face meetings at Thrybergh Academy.

This is a great opportunity for you and your child's subject teachers to discuss:

- How your child has experienced year 9
- What the rest of the academic year will look like
- The options process and the confirmed options that your child has picked
- Your child's effort in their subject areas
- Your child's attainment in individual subjects
- Any questions or queries you have regarding your child at school

Appointments will be scheduled via the Bromcom MCAS App. You will receive a notification once the booking system is live. If you have not yet downloaded the MCAS App, please contact [data@thrybergh.com](mailto:data@thrybergh.com), and our team will assist you with downloading the app and provide your login details. Should you encounter any difficulties booking appointments via the app, please contact the academy reception for further support.

We believe that working in partnership with parents, teachers, and students is essential for success in education and as such we strongly encourage you to attend these meetings as it will provide you with valuable insight into your child's effort, attainment and development. If you are unable to attend this evening, please inform us as soon as possible, so we can arrange an alternative meeting time or provide a summary of the discussion.

You will also receive subject-specific progress reports twice a year, which will highlight your child's target level, attainment and progress, as well as effort grades for each subject.

If you have any questions, please contact [contacts@thrybergh.com](mailto:contacts@thrybergh.com), for the attention of your child's form tutor.

We look forward to welcoming you here at Thrybergh Academy on Thursday 20 March.
